

MEET THE TEACHER

MS. MARTA

ABOUT ME

Hi, my name is Marta Gage. I'm a dedicated Teachers Assistant, and I've worked for FPPG for 8 years. I have a daughter who also attended this preschool, now in college. My husband works for a large construction company as a Senior Environment Compliance Manager. I like to listen to audio books, podcasts or music. I love being around children and helping support their social, emotional and academic growth.
