

MEET THE TEACHER

MS. KYLI

ABOUT ME

I'm a twin and tied for the youngest of 5 children. An auntie to 1 nephew and 4 nieces, the youngest (Blake) goes to our school. I love the outdoors. You may catch me out on the trails hiking, at various parks enjoying nature or the local waters fishing. This will be my first year of teaching in a school setting, but I am very excited to have you and all of your precious children in mine and Ms. Rebecca's classroom.
